## Purpose of the Guild

### Mission Statement:

**“The purpose of the American Guild of Organists is to promote the organ in its historic and evolving roles, to encourage excellence in the performance of organ and choral music, and to provide forum for mutual support, inspiration, education, and certification of Guild members.”**

## CODE OF ETHICS

Members of the American Guild of Organists are bound by the Code of Ethics and guided by the Code of Professional Standards. Adopted by the National Council on October 23, 1933 as revised through October 4, 2014.

**Preamble:** The purpose of the American Guild of Organists is to promote the organ in its historic and evolving roles, to encourage excellence in the performance of organ and choral music, and to provide a forum for mutual support, inspiration, education, and certification of Guild members. Voting members are entitled to enjoy the privileges and are expected to accept the responsibilities of membership in the Guild. Members shall be considered equally for Guild offices and participation in Guild activities. These are the rules that shall be considered binding upon all voting members in good standing.

**RULE 1.** Members shall promote good working relationships within the American Guild of Organists and shall respect the employment of colleagues. Members shall address differences between themselves and other members by following the procedures outlined in the Discipline.

**RULE 2.** Members shall not seek or appear to be seeking employment for themselves, a student, or a colleague, in a position held by someone else. Members shall apply for employment only for a position which the employer, with the knowledge of the incumbent musician, has officially and publicly declared vacant by announcement of the vacancy.

**RULE 3.** Members shall obtain the approval of the incumbent musician before accepting an engagement for a wedding, funeral, or other service requested by a third party. In such cases, the incumbent should receive his/her customary fee, and the third party is expected to provide it. It is the responsibility of the guest member to inform the third party of this rule. Members are advised to protect themselves as incumbents in this regard by negotiating employment contracts which secure these fees and which provide some responsibility, oversight, and control as to choice of music, etc.

**RULE 4.** Members shall conduct professional activities with truthfulness, honesty and integrity, and shall maintain sensitivity in matters of a personal or confidential nature.

**RULE 5.** Members shall not discriminate against others on the basis of race, national origin, age, religious affiliation, gender, marital status, sexual orientation, disability, or medical condition (including, but not limited to, Acquired Immune Deficiency Syndrome).

## Atlanta Chapter Information

---

### *Address Labels*

Self-adhesive Atlanta Chapter address labels are available for noncommercial uses at \$25.00 per set postpaid. Labels can be supplied in alphabetical order by name or numerical order by zip code. Contact **Timothy Gunter** at **404-365-1050**

### *Chapter Historian*

The chapter keeps copies of publications, programs, photos and other historical items. If you are interested in seeing any of these items, or in contributing some, please contact **Dan Pruitt** at **404-982-1096**.

### *Dinner Reservations*

The cost of a dinner reservation for the 2017-2018 year is \$18.00 (*unless otherwise noted*)

There are two ways to make a reservation:

1. Chapter members with email addresses are sent a reminder about the upcoming programming and requested to make dinner reservations via return email or go on the chapter website in order to use PayPal to make the reservations and pay. Reservations can be sent to the coordinator at **agoatlantareservations@gmail.com**.
2. Chapter members without email receive a monthly reminder call from a member of the Telephone Committee requesting their dinner reservations. Tell your caller when he/she calls if you'd like a reservation. If your caller left a message but did not speak to you personally, and you are unable to reach him/her, contact Telephone Committee Chair, **Karen Bunn** at **770-446-2084**, whose completed list goes to dinner reservation coordinator.

Reservations and cancellations are accepted **until five days prior to the program**. After that time, stand-by dinner reservations may be made with the understanding that availability of a meal will depend on cancellations and no-shows at the meal. **Extra meals are NO LONGER added to the head count because the chapter must pay for the number of reservations provided to the caterer.**

The following Dinner Reservation Policy has been approved by the Atlanta Chapter's Executive Board, updated May 2013.

- **NO SHOWS/CANCELLATIONS** - Should a chapter member be unable to attend a chapter meeting for which (s)he has made a dinner reservation, the member shall be assessed 100% of the individual dinner fee, per reservation made. Cancellation of reservations must be made by the Thursday prior to a program.
- A reminder notice of payment due will be sent to the individual. Payment checks should be mailed directly to Treasurer: Charlene Ponder at P.O. Box 968, Alpharetta, GA 30009-968
- **UNPAID DINNER FEES** – Should a member fail to pay the outstanding meal charges, (s)he will not be eligible for local chapter benefits until such outstanding fees are paid.

### ***Atlanta Chapter Scholarship and Memorial Funds***

The chapter welcomes contributions to our Scholarship/Memorial Funds, both of which are appropriate for memorial gifts. Checks should be sent to Charlene Ponder, Treasurer, P.O. Box 968 Alpharetta, GA 30009-0968. Acknowledgments will be sent to the donor, and if a memorial gift, to the family of the deceased. For further information regarding memorial gifts, please contact the Chapter Dean. If you have questions about making a donation for scholarships, please contact the Chapter Sub-Dean.

### ***Events Calendar***

The chapter keeps a master calendar of musical events in Atlanta churches, on which members may register events in hopes of preventing conflicts. To check previously scheduled events or to add a program to the calendar, contact **Timothy Gunter** at **678-230-8057** or preferably, email at [tgunter@stphilipscathedral.org](mailto:tgunter@stphilipscathedral.org).

### ***Library/Resources***

An index of the music collection (consisting primarily of the personal library of Miss Edna Bartholomew) is currently in progress. If you desire to utilize resources from the chapter library or have any other inquiry, please visit the chapter website where you will find the complete listing of items available. Instructions are given for accessing chapter resources.

### ***Professional Certification***

The AGO offers five levels of certification for members interested in enhancing their professional development. Outlines of requirements are published in each July issue of *The American Organist*, or may be obtained from the National Headquarters. Consultation is offered locally each year for Atlanta members. For additional information contact **Jeffrey McIntyre, CAGO**.

### ***Referral Service***

The Atlanta Chapter employment referral service is an information bureau for persons or institutions interested in listing or searching for permanent church positions. The chapter does not attempt to match individuals with institutions, but simply provides information regarding employment opportunities.

The employment referral service is completely separate from the "Supply Church Musicians" listing service. For information regarding substitute musicians, please see the listing in the yearbook.

The most up-to-date and comprehensive information regarding permanent job opportunities is found on the chapter web site. Listings are taken from the web site on the day of the newsletter deadline and duplicated in the newsletter.

To list a job opportunity through the web site, go to **[www.agoatlanta.org](http://www.agoatlanta.org)** under "Employment Referral."

### ***Substitute Musician Listing***

The chapter maintains a list of members willing to serve as substitutes. Listings are provided as information, and negotiating parties are responsible for matching requirements and skills. To seek a substitute or add or remove your name from the substitute list, contact **Jeremy Rush** at [jrush@johnscreekumc.org](mailto:jrush@johnscreekumc.org). The current substitute list appears in this yearbook.

## *Social Media*

- **GOOGLEGROUPS** - Belonging to this posting group is a benefit of your chapter membership. There is nothing you need do to receive posts from our chapter members. Your email was added to our group as provided in our membership database. To change or update your email, contact our Registrar, **Nicole Marane** at **agoatlregistrar@gmail.com** after changing your information in ONCARD. You may also request to be removed from the group, though we strongly encourage you to not do so, as the Google Groups is our main link to send out important chapter information between editions of the newsletter. The posts will simply appear in your email. If you wish to post a message or publicity to Google Groups about your event use the email address **atlanta-ago@googlegroups.com**. Then, type your message and send as a normal email. You do not need to create any profile or account.

Things to remember:

1. Include **Atlanta AGO** in the subject line to easily identify this as not being SPAM.
2. Include ALL pertinent information regarding date, time and location of your event in the posting. Attaching a poster won't do, as some folk can't or won't open attachments.
3. Limit yourself to one posting per event.
4. Please, no personal business ads or postings for friends or other institutions are allowed. We have a paid option for business ads, and posting for other churches negates the benefits of being a paid chapter member. Job postings may be forwarded to Pam Ingram for inclusion on the website and in the Organizer the correct venue for such listings.

**FACEBOOK** - Join us on Facebook! We have two pages, one for all members and one specifically for students. They are named **Atlanta Chapter - American Guild of Organists** and **Atlanta Chapter Youth - American Guild of Organists**. In addition to Google Groups and the Organizer, this un-moderated outlet is a main resource for sharing information about your programs and any topic related to the organ or choral worlds. Our Facebook page membership is open to all, regardless of chapter affiliation, so you'll reach people not only in Atlanta but across the country. Creating a Facebook account is free and easy. You don't have to publicly post your information or make posts to receive information from our chapter.
